It may be submitted in this connection that the question ~~of~~ is rather loosely worded and ~~it~~ the exact intention of the question is not clear. The word 'made' may be taken to mean either 'created' or 'ordered'. In the draft reply proposed, the latter meaning has been adopted. It is for consideration whether this is in order or whether the number asked for should be restricted to the number of gazetted probationers or other gazetted appointments newly made since 24-10-1947.
